Happy Earth Day!

Save The Planet
APRIL 22, 2016

Earth Day History

1970 Earth Day was founded by United States Senator Gaylord Nelson from Wisconsin.

1990 Earth Day goes GLOBAL (200 million participants in over 140 countries)

Today 17,000 organizations in over 174 countries participate

The FUTURE of Earth Day

2016 Global Theme
"Trees for the Earth"

By 2020 (Earth Day's 50th anniversary), EarthDay.org plans to plant **7.8 Billion** trees.

Which will achieve 3 goals:

1 Mitigating Climate Change and Pollution

2 Protecting Biodiversity

3 Supporting Communities and their Livelihoods
